Pleasant Nips Ridgedale

Late Panda Surge 66-64 for Wires Out Deficit

By A. BOVEY
In no other perhaps, does pure hustle to the extent it does in basketball.

Pleasant, kingpin in Marion County circles, made virtually an airtight case for that statement Friday night at Ridgedale.

For the Panda of Coach Stan Kirby, down 40-38 at 58-48 with only 6:04 left in the game, hustled to what evolved as a 66-64 victory.

The sterling win, against a Rocket team that surely played one of its best games of the season, wrapped up Pleasant's regular schedule with a sparkling 14-2. Moreover, the team took the championship of Marion County League with a 50-40 mark.

THE DEFEAT No. 7 in 14 starts for the Mentor Bill Phillips, who sat tonight against invincible Ericktown. It was the first time this season Pleasant turned back Phillips' team. The first time was by a 50-40 count on the Panda boards.

All considerations were well planned. The fourth quarter Kirby led the Panda to a 20-10 lead. The Pandas finished the thrilling action hitting 27 of 69 shots from the field for a 39 per cent. They were a shoddy 13 for 45 in the first half for 28 per cent, but turned a 58 per cent mark in the second two quarters, hitting on 14 of 24 opportunities from the field.

Ridgedale, good for 16 of 36 in the first half for 44 per cent, canned 12 of 30 shots in the second for 40 per cent, finishing 28 for 66 per cent overall.

IT WAS A VERY game for six players. Kirby was turned out this afternoon.

And the one thing about it was Kirby, who canned tie-breaking goal that ultimately spelled triumph for Pleasant, who not among the six. In fact, Kirby got a 6. But 4 of the 6 came in the last period.

The win for Pleasant was to be Doug Lichtenberger, virtually everyone's choice as the best player in the county.

AAU meets that threaten team for the Russian. Russell's move against the war of words that has brought three state-old five-star general.

The United Press International's sportswriters today named Pleasant's Doug Lichtenberger to a first team berth.

An Associated Press honorable mention choice, Lichtenberger, kingpin of a Panda team that won games and led in regular season play, landed in a UPI No. 1 five that included Columbus University's Howard, Wakeman West Reserve's Mike Hyde, Powell's Ben Wiley and Dennison's Mary's Joe Pangrazio.

Three teams are a list of honorable mentions were chosen. Only other Marion area cagers to make the grade was Colonel Crawford's high-scoring Bob Zaebst and Mount Victory's Bob Connolly.

Lichtenberger, Hyde, Wiley and Pangrazio are all seniors. University's Howard was the lone junior named to the top spot.

Wiley averaged a spanking 28.3 points a game, just shading Hyde, a giant who rolled in 26.8. Howard, the right would have been off at Gardnersville and grabbed the title — his fourth in the season. Ed went to Mike Howard, Western Reserve Year and Bob G. Township in Sandusky. Wiley was tabbed the school of the Year. Both won their accolades in competition that saw Pangrazio of Dennison St. M. is the same in as second best player. Others in the race for coach and setting tions were Bob White, Col. a mile—perhaps University; Joe Spr...

AROUND THE CORNER . . .

. . . is a life of new experiences, especially for high school students who stand at the doorway of being an adult. With this thought in mind we'd like to address a few words to the three basic groups of your high school.

To the graduates.

Your completion of a high school education is an accomplishment to be proud of and reason for congratulations from family and friends. We'd like to add our "well done" and pass along a bit of advice from the business world—never stop learning, never stop trying harder. These are things that will build a successful and satisfying life.

To the undergraduates.

An education is a base on which you can build a successful career and full life for yourself—so build a good base. Your habits for working and learning are taking final shape right now. Use the time you have now to good purpose . . . these efforts will pay off for the rest of your life.

To the faculty.

As a leader in our industry, we well appreciate the need for developing young minds to take on the tremendous industrial and political challenges of tomorrow. We want to take this opportunity to state our appreciation of the job you are doing.
